GREAT CURE DR LELAND'S

ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia,

AND A SURE CURE FOR All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons no change in habits of living is required, and it entirely removes the discusse from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect cure, and restoring the parts afflicted to a healthy condition. This Band is also a most powerful ANTI MERCERIAL agent, and will entirely relieve the system from the persicious effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

PRITISHERSH, Jan. 11, 1860.

Dr. Kryssk:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire satisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward. PITTEBURGH, Nov. 18, 1858

DR. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any mannes be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

moving all that disagreeable sensation attending vere cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to pervent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to care the above, nor ahould any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

COL. PRATT AND DR KEYEER'S PECTORAL SYRUP.—DR. KEYEER-Dear Sir: Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. Renoched the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

READ THE TRUTH.—Dr. KEYSER: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle sured her entirely of her The second bottle cured her entirely of JOHN DARIN, Robinson street, Alleghany.

A GREAT CURE BY DR, KEYSER'S PROTORAL YRUP.—I live in Peebles township, Allegheny county.
I had a coughing and spitting, which commenced acout
the 4th of February last, and continued eight months. I
tunployed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what thas done in my case.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill; with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrap, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN PLAIRS-VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around us has the cold and are inquiring for "Dr. Keyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully.

J. S. WATTERSON & SONS.

January 30, 1860. ANOTHER NEW CERTIFICATE—DR. KEYSER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not sleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally precured a bottle of your Pectoral Syrup, which cured me entirely. Signed.

"STOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and it that don't cure you, your case must be desperate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, multah, unsubduable coughs we were experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of tiering if out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, petergy and distressibility by the operation. In this stage of the stege, we congled our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it according to directions, and inforty-eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Droccascille Clipper, Dec. 14, 1859.

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade, of society, whose united testimony none could resist, that Prof. Woed's Hair Restorative will restore the baid and gray, and preserve the hair of the youth to old age, in all its youthful beauty. - Battle Creek, Mich., Dec. 21st, 1858.

Battle Creek, Mich., Dec. 21st, 1858.

Prof. Wood: Thee wilt please accept a line to inform thee that the hair on my head all feil off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the hald spot is now covered with hair thick and black, though short, it is also combig in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to pracevere in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself, the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."

that are kind to the widow and the fatherless."

Thy friend, SUSANNAH KIRBY.

Ligonier, Noble County, Indiana, Feb. 5th, 1859.

Prov. O. J. Wood: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State on New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and bear, part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative as recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in SUBANNAH KIRBY.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recom-mended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours, Attorney and Counsellor at Law. Depot, 444 Broadway, and sold by all dealers through-out the world.

The Restorative is put up in bottles of three sizes, vis: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, and retails for twe dollars a bottle; the large holds a quart. 49 per cent. more in proportion, and retails for \$3 a bottle.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of hymors, is so well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE TIO TH,

Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and frotful sups to calm and sweet slumbers; and the Medica Discovery becomes a fountain of blessing to your husband and household.

Your stomach is

RAW AND INFLAMED. your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonous fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow and greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body be come relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to CURE;

Palpitation of the heart, pain in the side, weakness of the spine and amail of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the PILES. How many thousand of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old provert, "An ounce of prevention is better than a pound of cure." In the

MEDICAL DISCOVERY you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.
